Statement of Facts Concerning Inventorship in a Patent Application

As undersigned inventors originally named in the above identified patent application, we do solemnly and sincerely declare as follows:

- The present application was originally filed without a declaration by all the named inventors.
- Upon review of the application soon after it was filed, one of the named inventors discovered the oversight and soon thereafter contacted the patent firm which filed the application.
- After considering the claims in view of the overlooked inventors, it was determined that one overlooked inventor should have been included as an inventor in the original application.
- Accordingly, although the actual inventors were not named in the application as originally filed, this error was made without any deceptive intention on the part of the actual inventor(s), and action was diligently taken to correct the mistake.

I hereby declare that all statements made herein of my knowledge are true and that all statements made on information or belief are believed to be true; and further that I acknowledge that any willful false statements and the like so made herein are punishable by fine or imprisonment or both and that such willful false statements may jeopardize the validity of the application or any patent issuing thereon.

Correction of Inventorship in a Patent Application

Application No.: 09/896,900
Filing Date: 6/28/2001
Title: Micro-Machined Coupled Capacitor Devices

To: Special Handling Unit
Application Division
Assistant Commissioner for Patents
Washington, DC 20231

Sir:

This is a request under the provisions of 37 CFR 1.48 to correct the inventorship in the above referenced patent application. In the application as originally filed, the actual inventors were not named due to an error made without any deceptive intention on the part of the actual inventor(s). Accordingly, please amend the application to name the actual inventors, as indicated below:

Original named inventor(s):
Butrus Khuri-Yakub, F. Levent Degertekin, A. Sanli Ergun

Actual (correct) inventor(s):
Butrus Khuri-Yakub, F. Levent Degertekin, A. Sanli Ergun and **Mohammed H. Badi**

Accompanying this petition is:

- a statement of facts verified by the original named inventor(s) establishing when the error without deceptive intention was discovered and how it occurred;
- a declaration by each actual inventor as required by 37 CFR 1.63;
- the petition fee set forth in 37 CFR 1.17(h); and
- the written consent of any assignee.

Respectfully submitted,

Dr. Ron Jacobs

ASSIGNMENT

THIS ASSIGNMENT, by

MOHAMMED H. BADI

(hereinafter referred to as the Assignor), residing at **Stanford, California**; witnesseth:

WHEREAS, said Assignor has invented certain new and useful improvements in

MICRO-MACHINED COUPLED CAPACITOR DEVICES

For Application No. **09/896,900** filed on **June 28, 2001**.

WHEREAS,

The Board of Trustees of the Leland Stanford Junior University

(hereinafter referred to as the Assignee), a body having corporate powers under the laws of the state of **CALIFORNIA, STANFORD, CALIFORNIA 94305**, is desirous of obtaining the entire right, title and interest in and to said inventions and said application for Letters Patent, and in and to any Letters Patent, United States or foreign, to be obtained therefor and thereon;

WHEREAS, said Assignor and said Assignee have executed an agreement entitled "Agreement Concerning Rights in Invention."

NOW, THEREFORE, in consideration of the sum of One Dollar (\$1.00) and for other good and sufficient considerations, the receipt of which is hereby acknowledged:

1. The Assignor has sold, assigned, transferred and set over, and does hereby sell, assign, transfer and set over unto said Assignee, the entire right, title and interest in, to and under: said inventions; said application for Letters Patent; any Letters Patent which may be granted for said inventions in the United States of America and any foreign country; any division of said application, continuation of said application, and any continuation-in-part of said application which is subject to: said agreement concerning rights in invention; any reissue or extension of said Letters Patent; and all rights under the International Convention for the Protection of Industrial Property; said right, title and interest to be held and enjoyed by said Assignee for its own use and behoove to the full end of the term for which Letters Patent may be granted, as fully and entirely as the same would have been held and enjoyed by the Assignors, had this sale and assignment not been made.

2. Said Assignor hereby warrants and represents that, at the time of execution and delivery of these presents, said Assignor is the sole and lawful owner of the entire right, title and interest in and to said inventions and said application for Letters Patent, and that the same have not entered into any assignment, contract or understanding in conflict herewith.

3. Said Assignor hereby covenants and agrees to assist and cooperate with said Assignee, whereby said Assignee may enjoy to the fullest extent said right, title and interest herein conveyed, provided, however, that the entire expense which may be incurred by said Assignors in lending such assistance and cooperation be paid by Assignee. Such cooperation shall include: (a) prompt execution of all papers (prepared at the expense of Assignee) which are deemed necessary or desirable by Assignee to perfect said right, title and interest herein conveyed, (b) prompt execution of all petitions, oaths, specifications, declarations and other papers (prepared at the expense of Assignee) which are deemed necessary or desirable by Assignee for filing or prosecuting in the

United States or any foreign country said application, any application which is a division of said application, continuation of said application, and any continuation-in-part of said application which is subject to said agreement concerning rights in invention, any reissue application for any Letters Patent granted on said application, or for any interference proceeding involving said application or Letters Patent granted thereon; and (c) prompt assistance and cooperation in the prosecution of all legal proceedings involving said inventions, said application, or Letters Patent granted thereon, including oppositions, cancellation proceedings, priority contests, public use proceedings and court actions.

4. The terms, covenants and conditions of this Assignment shall inure to the benefit of said Assignee, its successors, assigns and/or other legal representatives, and shall be binding upon said Assignor, his heirs, legal representatives and assigns.

5. The terms, covenants and conditions of this Assignment are subject to the payment of royalty by Assignee to Assignor in accordance with the provisions of said Agreement Concerning Rights in Invention.

6. Said Assignor hereby requests the Commissioner of Patents and Trademarks to issue said Letters Patent of the United States to said Assignee as the assignee of said inventions.

IN WITNESS WHEREOF said Assignor has executed and delivered this instrument on the respective dates noted below.
